- 6.3 Proofs of Claim delivered after the Record Date may, at the sole discretion of the Chairman, be disregarded for voting purposes at the Scheme Meetings.
- 6.4 If the Chairman refuses to Accept an alleged Scheme Claim received from an alleged Scheme Party, he or she shall, within a reasonable time, prepare a statement in writing or electronic mail of his or her reasons for doing so and promptly send such statement to the Person alleging such Scheme Claim against the Company.
- 6.5 Neither the Company nor the Chairman shall recognise any sale, assignment, transfer or any disclosed sub-participation of any Scheme Claim after the Record Date for the purposes of determining entitlement to attend and vote at the Scheme Meetings. A transferee of a beneficial or proprietary interest in any Scheme Claim after the Record Date will, however, be bound by the terms of the Scheme in the event it becomes effective and the transferee will have to demonstrate, to the satisfaction of the Scheme Manager, that he or she is entitled to receive his or her share of the Scheme Consideration.
- 6.6 The Chairman shall not be liable for any claim or liability arising in respect of the performance of his or her duties as Chairman under this Scheme except where such claim or liability arises as a result of his or her own fraud, gross negligence or wilful misconduct.

**7. SCHEME MANAGER**

- 7.1 Any decision, including calculations or payments, made by the Scheme Manager in carrying out his or her functions and/or duties under and/or in fulfilment of this Scheme shall be final and binding on all Scheme Parties.
- 7.2 Any decision, including calculations or payments, made by the Scheme Manager in carrying out his or her functions and/or duties under and/or in fulfilment of this Scheme shall be final and binding on all Scheme Parties.
- 7.3 The Scheme Manager may engage legal, financial or other professional advisors and consultants to advise and assist the Scheme Manager in the exercise of his or her rights and the performance or discharge of his or her duties as the Scheme Manager.
- 7.4 The Scheme Manager shall not be liable to any Scheme Party for any and all losses, damages, charges, costs and expenses of whatsoever nature which such Scheme Party may

sustain, incur or suffer in connection with or arising from the performance by the Scheme Manager of his or her duties as Scheme Manager under this Scheme, including any decisions, calculations or payments in carrying out his or her functions and/or duties under and/or in fulfilment of this Scheme, unless directly caused by fraud, gross negligence or wilful misconduct on his or her part.

- 7.5 Any Scheme Party that intends to challenge any act or omission of the Scheme Manager in connection with or arising from any decision, including calculations or payments, made by the Scheme Manager in carrying out his or her functions and/or duties under and/or in fulfilment of this Scheme shall notify the Scheme Manager of such notice at least 7 Business Days before any such challenge is made to a Court or in any other forum. Any Scheme Party who makes a challenge without providing such appropriate notice shall be deemed to have agreed to: (i) if such challenge is dismissed by the Court, be liable for the costs, expenses and disbursements incurred by the Scheme Manager in connection with resisting any such challenge on an indemnity basis; and (ii) in any case, be solely responsible for any cost, expenses and disbursements he or she incurs in connection with the challenge.
- 7.6 In exercising his or her powers and carrying out his or her duties and functions under and in fulfilment of this Scheme, the Scheme Manager shall be deemed at all times to act as an agent for and on behalf of the Company.
- 7.7 The Scheme Manager shall be entitled to such reasonable fees and remuneration for the performance of his or her duties and services as Scheme Manager and for taking any action that he or she is required, authorised or empowered to take under or in respect of this Scheme as may be agreed with the Company or determined by the Court.

## **8. MODIFICATION OF THE SCHEME**

- 8.1 The Company may, prior to the calling of any Scheme Meeting, delete, modify, amend or add to the terms of this Scheme which the Company, upon further consultation with Scheme Parties as necessary or relevant, may think fit or appropriate for the implementation of the Restructuring.
- 8.2 Each of the Scheme Parties hereby agree that the Company may at any Court hearing to sanction this Scheme, consent on behalf of itself and all Scheme Parties and anyone else concerned to any modification of, or addition to, this Scheme or any terms or conditions which, in each case, the Court may think fit to approve or impose which is necessary for the implementation of the Restructuring, provided that such modification, addition, term or condition does not have an adverse effect on the rights of the Scheme Parties, or any of them, under this Scheme.

## **9. TERMINATION OF THE SCHEME**

- 9.1 If:
- 9.1.1 the Restructuring Effective Date does not occur on or before the Long-Stop Date; or
- 9.1.2 the Restructuring Agreement and/or Loan Agreement terminates in accordance with their respective terms,

the terms of and the obligations of the parties under or pursuant to this Scheme shall lapse and all the compromises and arrangements provided by this Scheme and any releases granted pursuant to this Scheme shall be of no effect and shall be construed as if it had never

become effective, and the rights and obligations of the Scheme Parties shall not be affected and shall be reinstated and remain in full force and effect.

## 10. COMPLETION OF THE SCHEME

10.1 The implementation and operation of this Scheme shall be deemed to be completed following the earlier of:

10.1.1 the end of the Holding Period; and

10.1.2 the Distribution Expiry Date,

upon which the Scheme Parties shall no longer be entitled to the distributions under Clause 4 and all duties and responsibilities of the Scheme Manager shall cease.

11.4 The accidental omission to send any notice, written communication or other document in accordance with any of Clauses 11.1 to 11.3, or the non-receipt of any such notice by any Scheme Party, shall not affect any part or provision of this Scheme.

## **12. COSTS AND EXPENSES**

12.1 The Company shall pay, or procure the payment of, in full all costs, charges, expenses and disbursements incurred by it in connection with the negotiation, preparation and implementation of this Scheme as and when they arise, including, but not limited to, any costs incurred by the Chairman or the Scheme Manager in defending any action brought against any of them in connection with any of their duties and responsibilities under this Scheme (save in the case of fraud, gross-negligence or wilful misconduct), the holding of the Scheme Meetings, the costs of obtaining the sanction of the Court and the costs of issuing notices (if any) required by this Scheme.

## **13. CONFLICT & INCONSISTENCY**

13.1 In the case of a conflict or inconsistency between the terms of this Scheme and the terms of the Explanatory Statement, the terms of this Scheme shall prevail.

## **14. SEVERABILITY**

14.1 If any provision in this Scheme shall be held to be invalid, illegal or unenforceable, in whole or in part, the provision shall apply with whatever deletion or modification as and only to the extent necessary so that the provision is legal, valid and enforceable and gives effect to the commercial intentions of the Company.

14.2 To the extent it is not possible to delete or modify the provision in whole or in part, under Clause 14.1, then such provision or part of it shall, to the extent that it is invalid, illegal or enforceable, be deemed not to form part of this Scheme and the validity, legality and enforceability of the remainder of this Scheme shall not be affected.

## **15. GOVERNING LAW AND JURISDICTION**

15.1 The operative terms of this Scheme and any non-contractual obligations arising out of or in connection with this Scheme shall be governed by and construed in accordance with the laws of Singapore. The Scheme Parties and the Company hereby agree that the courts of Singapore, including the Court shall have exclusive jurisdiction to hear and determine any suit, action or proceeding (the "**Proceedings**") and to settle any dispute which arises out of

or in connection with the terms of this Scheme or its implementation or out of any action taken or omitted to be taken under this Scheme or in connection with the administration of this Scheme and for such purposes the Scheme Parties and the Company irrevocably submit to the jurisdiction of the courts of Singapore, including the Court, provided, however, that nothing in this Clause 15.1 shall affect the validity of other provisions determining governing law and jurisdiction as between the Company and of the Scheme Parties, whether contained in contract or otherwise. A Scheme Party may take action in any other court of competent jurisdiction in order to enforce a judgment made in its favour in relation to Proceedings.

- 15.2 The terms of this Scheme and the obligations imposed on the Company and the Scheme Parties (and, for the avoidance of doubt, those terms and obligations which may be construed as being imposed on any Scheme Party) hereunder shall take effect subject to any prohibition or condition imposed by applicable law.
